Re: FOIA Records Request

To Whom It May Concern:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, I respectfully request electronic copies of the following materials:

- (1) With respect to the repository at Operable Unit 1(OU1) of the Richardson Flat Tailings Site in Summit County, Utah, any studies, assessments, reports or other technical documents related to
 - a. The available capacity of the repository
 - b. The integrity or stability of the repository
 - c. The requirements of operation and maintenance of the repository
 - d. The cost of operation and maintenance of the repository
 - e. The requirements for installing a cap at the repository
 - f. The costs of installing a cap on the repository

- (2) EPA's oversight bills to United Park City Mines (UPCM) for the last 5 years for OU1.

I have discussed this request with Amelia Piggott. Because this request is in the public interest and is being made on behalf of a public entity, Park City Municipal Corporation, for the purposes of addressing potential risks for mining waste, I request a public interest fee waiver.
